GREAT EXPLORATIONS

July 4 to 9

Education Building
University of Saskatchewan

*A musical week of music and fun for anyone who plays
or wants to play violin, viola or cello*

www.saskatoonsuzukistrings.ca

Spend a week making great music, having lots of fun and meeting new friends! After all, summer and music go great together! With programs for both beginners and developing students, the Summer String Experience offers everyone the opportunity to learn and refine skills on the violin, viola or cello, with others who are doing the same. It's an excellent way to be introduced to the instrument for the first time, or for those who already play to find new inspiration from our highly qualified faculty. In addition to instrumental instruction, the Summer String Experience offers enrichment music classes, crafts, lunch hour concerts and a recreational social. Everything wraps up with a final concert on Friday!
